CONSENT TO TRANSMIT INFORMATION ELECTRONICALLY

How would you like to receive your statements and other communications regarding your group savings and retirement plans?

I accept to receive them by email or via the CyberClient secure website. I will be notified by email when they are available.

By mail.

Do you want to receive by email the Group Savings and Retirement eNewsletter from Industrial Alliance, Insurance and Financial Services Inc.?

Yes, I accept to receive it by email. This eNewsletter provides information about retirement planning.

No.

By accepting to receive the communications by email, I agree to check my email and send Industrial Alliance any change in my email address. If changes are not communicated, Industrial Alliance cannot be held responsible for not transmitting the information through electronic communications. Industrial Alliance can mail me any documents that could not be transmitted electronically if required by law, if judged appropriate or if requested by myself upon payment of appropriate fees. This consent shall enter into force as of the date it is received and applies to all the group savings and retirement plans that I have with Industrial Alliance. For additional information, contact Industrial Alliance in writing or by email at pension@inalco.com.

Note – You will be able to unsubscribe from receiving electronic communications and eNewsletters at any time.

CHOICE OF OPTION

Please indicate your choice of option for the investment of your future contributions.

Option 1: I want to use the funds in my personal pension account to purchase deferred annuities twice a year.

Option 2: I want the funds in my personal pension account to be invested according to my own investment instructions (please complete the RPP investment instructions on the next pages). **It is understood that the performance of the sums invested in the investment funds is not guaranteed.**

Note that you will not be allowed to change this option for future contributions except during the 2 annual purchase windows that run from April 15th to May 15th for annuities to be purchased on May 30th and from October 15th to November 15th for annuities to be purchased on November 30th.

Should no option be selected, the default will be to direct your contributions to option 1.

I also want the investment instructions for my future contributions mentioned above to apply to the composition of my current investments (balance of my accounts), if applicable.

INVESTMENT INSTRUCTIONS UPON ENROLMENT

PRE-BUILT SOLUTION OR BUILD YOUR OWN SOLUTION

You must choose among the investment options from the solutions below for each account. We suggest that you complete the «Your Investor Profile» questionnaire in order to make an informed choice.

Pre-Built Solution

Choose from a variety of investment options from the Pre-Built Solution and let our fund managers work for you.

Build Your Own Solution

Choose from a variety of funds that are offered on an individual basis in order to create a personalized portfolio all your own.

You must make sure that the total percentage of each instruction below equals 100%. If you do not provide any investment instructions, or if instructions do not total 100%, contributions will be invested according to the contractholder's default instructions, where applicable. Otherwise, contributions will remain in the shuttle account until such time as valid instructions are provided.

The Asset Allocation Funds are made up of Industrial Alliance Insurance and Financial Services Inc. investment funds.
