CHANGE OF BENEFICIARY

Last name _____ First name _____ Relationship _____ % Revocable* Irrevocable**

*Revocable : the beneficiary designation can be changed without the beneficiary's consent.
 ** Irrevocable : the beneficiary designation cannot be changed without the beneficiary's consent. Also, any change such as withdrawal or transfer, cannot be made without the beneficiary's written consent or by court order in the case of a minor.

For Quebec only, the designation of a spouse as beneficiary is deemed to be irrevocable, unless specified above.
 According to most pension legislations, a designated beneficiary other than a spouse is not eligible to receive death benefits if the member does in fact have a spouse.

Complete this section if the previous beneficiary was irrevocable.

I, _____ (write name in block letters) the previously designated irrevocable beneficiary, hereby declare that I renounce to all my rights without reserve.

CHOICE OF OPTION

Please indicate your choice of option for the investment of your future contributions.

Option 1: I want to use the funds in my personal pension account to purchase deferred annuities twice a year.

Option 2: I want the funds in my personal pension account to be invested according to my own investment instructions (please complete the next pages).

Note that you will not be allowed to change this option for future contributions except during the 2 annual purchase windows that run from April 15th to May 15th for annuities to be purchased on May 30th and from October 15th to November 15th for annuities to be purchased on November 30th.

It is understood that the performance of the sums invested in the investment funds is not guaranteed.

REINVESTMENT OF GUARANTEED INVESTMENTS AT MATURITY

If your investments contain guaranteed investments, please indicate how you want the capital and interest to be reinvested at maturity:

- In guaranteed investments (whose term is the same as that of the original investments)
- According to current investment instructions

If no choice is made, the sums will be reinvested according to current investment instructions.
